A letter from the Editor

It has been said that the person who finishes something gets more credit than the person who starts it. I guess that's what happened with the Millers LOG this year. For the first semester there was a staff of five people, none of whom were seniors. There was one senior who was originally going to be on yearbook staff, but because of schedule conflicts, had to work during newspaper class. She ended up working on the Sentinel more than anything else. To make a long story short, a new staff was needed. A plea went out to some concerned people and a new staff was put together at the semester break in January.

The question was raised, why would anyone in his right mind go to the trouble of putting together a yearbook? To me the answer is clear. A yearbook is a pictorial condensement of the events and activities that made the year what it was. Later you can look at it and remember what you did and the fun you had in high school. We did it to give you, and ourselves, something to remember our year here.

It was rather scary to undertake the responsibility of putting a whole book together in half a year, but as you can see, we succeeded. There were, the usual problems of figuring out how to put a page together and making deadlines, but problems are made to be solved and we did. Every member of the staff worked really hard and I want to thank them all. Its been a lot of fun to work with them.

Kick back and enjoy! Elsie Ruf

Every man, woman and child will use a tree this year.

A pretty good-size tree, too.

For everything from paneling to toilet tissue. Together, these wood products add up to a tree 20 inches in diameter and 100 feet tall.

That's why our High Yield Forestry program is so important. We're making sure future generations have the same easy access to wood and wood products that we have today.

Unlike coal or oil, wood is a renewable resource. Proper management and long-range planning are vital in assuring a dependable supply.

We planted 190 million trees on our lands nationwide in 1976 alone. Because we want you to be able to enjoy our forestlands forever. Without giving up grocery sacks, building materials, pencils or fire logs.

Weyerhaeuser.

We're here to stay. And so are the trees.

A note from the publisher

MC patriarchs launch SHS annual

Herbert Hansen and Walter Bailey may not be household names like President George Washington or Springfield founder Elias Briggs. Still to Springfield High School publications, now operating under the corporate name Miller communications, Hansen and Bailey will stand for all time as the patriarchs of the school yearbook and newspaper.

According to best accounts available to the SHS archivist Hansen became editor of the first school yearbook when he was a sophomore in the 1912-13 school year. Unfortunately no copy of that introductory volume has yet been found. Hansen continued in his position for the next year to lead the publication of the 1914 yearbook simply titled "High School Annual." The 64-page soft-cover edition was dedicated to District School Superintendent Robert L. Kirk. A fellow classmate, junior Walter Bailey, was serving as student body president and as athletics editor for the annual.

The next school year Hansen was elected student body president. Bailey was apparently looking for new horizons to conquer. The result of his leaderability and literary skill was a small 24-page magazine-like publication called "The Headlight" that was the first venture at Springfield High School to report the ongoing news at the school. No other record of "The Headlight" has yet been found. Bailey went on that year to edit the 1915 edition of the "Hight School Annual." Orson Vaughn was selected to edit the 1916 edition.

The name of the 1921 annual was changed to the "Maple Leaf" in recognition of the large maple trees on the grounds of the high school located between "E" and "D" streets on Mill, present location of the district administration building.

The "Maple Leaf" grew to a hardcover edition through the prosperity of the 1920s and apparently nearly died during the early days of the great depression.

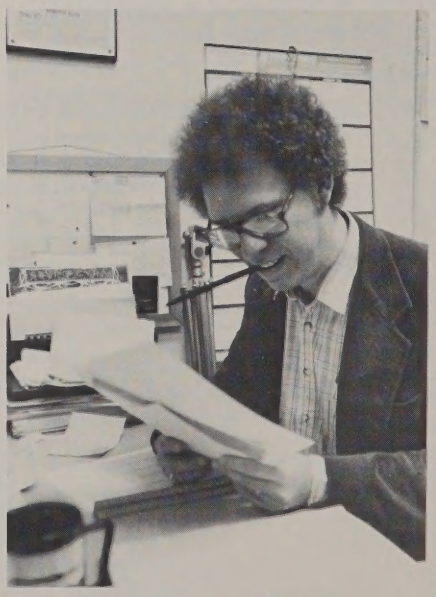
In 1942, when Springfield High School, moved to a new building on 10th and "H" streets, and away from the maple trees, the name was changed to its current title "Millers LOG". Editor of the first "LOG" was Jack Vaughn, son of 1916 editor Orson Vaughn.

The school newspaper has gone through similar transformations.

Apparently the "Headlight" did not survive. Reports indicate that in 1918 the journalistic efforts of SHS students were directed towards writing a regular column that appeared in the then "Lane County Star" in 1914. That column, titled the "SHS Tattler" apparently lasted until 1923 when in the fall the students took a shot at publishing their own newspaper again. Perhaps reflective of their zeal towards this task, the new paper was called the "Go-Getter." The SHS archives have no copies of this publication, just references to it in the school yearbook.

Herbert Hansen Walter Bailey

The same is true for the early editions of the "SENTINEL" current name of the SHS newspaper. The best information to date is from a reference in a 1938 "Maple Leaf" that suggests the first volume of the SENTINEL was published in the 1935-36 school year. It has remained "The student voice of Springfield High School" now for nearly 45 years.



Pat Albright, above, stepped down as advisor of the year book with the conclusion of this Millers LOG. Jean White will advise the 1982 edition.

Your high school years are intended to be some of the best years of your life, and why not? It's the end of your formal education, and the launching point of your adult life. It is important to attend a high school that will offer everything you need, and provide you with plenty of good memories. Springfield High offers everything that a great high school can including academics, social affairs, and a complete sports program. SHS also offers the students the chance to try several different occupational fields, and helps them to choose a career after graduation. For an exciting and educational four years, nothing beats high school, and no high school beats Springfield High.

SEPTEMBER

School Brings with it New Faces and Changes

The month of September, filled with the excitement of starting school again, brought with it many new faces and changes.

"Welcome to Springfield State Pen," was the common joke used by the students to describe the new fence that had been put up around the school over the summer. Despite the "shut-in" look it gave the school - the fence gave SHS a more secure and safe campus. Safe from vandalism and conspiring Rival Colts!

Hello Week

With the welcome arrival of the incoming freshmen, came the honor of being the largest school in Lane County.

The activities of Hello Week began the school year with a festive start. The annual events sponsored by the Rallies included such merry-making as: Hat day, Overall day, Blue & White day, Saturday Night Live day, and Lick 'em day. The week was topped off by a Fall Sports pep assembly encouraging support for the football, cross-country, volleyball and gymnastics teams. The first dance of the year sparked new romances and friendships that Friday, which insured a very interesting next few months to come.

Half-Time Shows

During the next two weeks of September, the SHS Miller Marching Band was making preparations for a half-time show at the U of O/Michigan football game on September 20 as well as for the forthcoming home football games at Silke Field. The band represented Springfield superbly by their fine performances amidst the mud and rain of a typical September season.

The rain wasn't the only thing to put a damper on September. The weekend before school started, two SHS students were involved in an accident that caused the death of one and many months of hospitalization for the other. Steve Stribling, a junior at SHS, was killed in the accident and Todd Skinner, also a junior, was seriously injured. Though the accident was taken quite somberly by the student body, the closeness of it brought about a keen sense of unity.

September sped by quickly easing its way into a normal routine as students adjusted to their schedules and teachers, and teachers in turn adjusted to their students.

OCTOBER

Homecoming - Fall week and Halloween fun

All the fun started in October with Fall Week and Homecoming activities in full swing. The Seniors sponsored a busy Fall week with lunch time competitions including the Spoon-On-A-String, Keg & Wagon races, volleyball and the climactic Tug-of-War. Friday ended the competition with a victory for the Senior class. A combined lunch provided time for court yard capers and voting for the homecoming court. The Princess' and their escorts were ushered into the game Friday in classic convertibles. The queen for 1980 was announced that night at the game, her court consisted of two freshman, sophomores and junior princesses and five other senior princesses.

And the Fun Continues

Pep Assemblies encouraged spirit and fun for the fall teams - with the warmer weather the assemblies were held outside in hopes to heat up the teams to some winning seasons.

October was an active month. Halloween finished the activities with the pep bands, rallies and other strange creatures dressed up in all manners of ghoulish and crazy costumes. . . in honor of "All Hallows Eve."

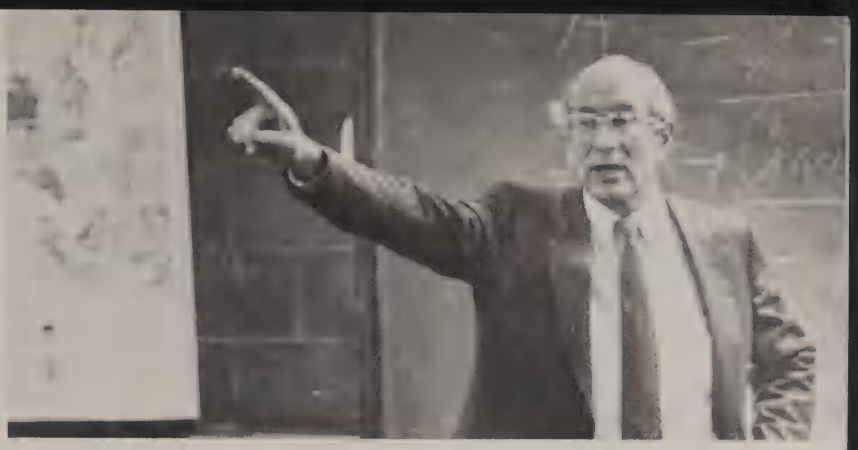
NOVEMBER

A Time for all Kinds of Change



November 1980 not only brought changes in the weather from sort of warm to really cold - but with the Presidential elections came a change over in Government. Springfield took an active part in the elections. Although most of the students were too young to vote, a mock election throughout the school elected another term for President Carter. Springfield students lost out in the real election when President Reagan came out victorious. Local candidates came to visit in the resource rooms giving students and teachers a better insight to local and state government.

Another change came when the fall sports season ended and the winter sports began training full force. The girls and boys basketball teams sponsored a Donkey Basketball game to help pay for new shooting shirts; It was a hilarious success. Top Right: Senator Weaver makes his point. DECEMBER

Christmas Cheer and Holiday $pirit.

December brought with it one glorious day of snow and two wonderful weeks of vacation.

The first weeks were busily spent with the music department spreading around Christmas cheer. The marching band covered the streets of Springfield in the annual Springfield Christmas parade. Meanwhile the kaleidoscopes left traces of notes at the Eugene Mall.

Pink slips came out, S.A.T. tests were taken by seniors, and a Christmas dance topped off the activities.

JANUARY

New Year and New Beginnings

January was a fun month as people returned from vacation. Spirits were high at the happy news of the return of the hostages from Iran. The drama and music departments presented a dinner theatre. There were auditions for the Spring musical, a dance, a pep assembly and petitions being passed around for the A.S.B. elections later in the month.

FEBRUARY

Hero Returns to His Alma Mater

Victor Tomseth came home in February to his home town and Alma Mater. Springfield High was honored as the former hostage told of experiences in Iran.

Arena scheduling took place early in the month, A.C.T. tests were taken by Seniors and a winter pep assembly kept people busy.

There was also a Valentines Sweetheart Dance especially for the lovers of the school. District meets came for swimmers and wrestlers to end their successful season.

Mr. Wacker, the schools Vice Principal retired in February to go to an advanced job as Principal of Briggs Middle School. The 16th of February brought a welcome day of vacation as the school celebrated Presidents' Day. Overall, the month of February was.

MARCH

Came in like a lion and . . .

. . . settled down like a lamb as the Spring Sports started their seasons. The air filled with music to the sounds of the Band, and Choral Annual Spring Concerts. Construction began on the new crafts building out by the woods shop. Construction classes completed their house on March 13 which was then moved to Thurston to be put up for sale. Friday the 13th brought good luck for some at the Friday the 13th dance. A new lunch program was started in the commons to help control the lunch time chaos. March ended with the long awaited Spring vacation which turned out to rain (a lot).

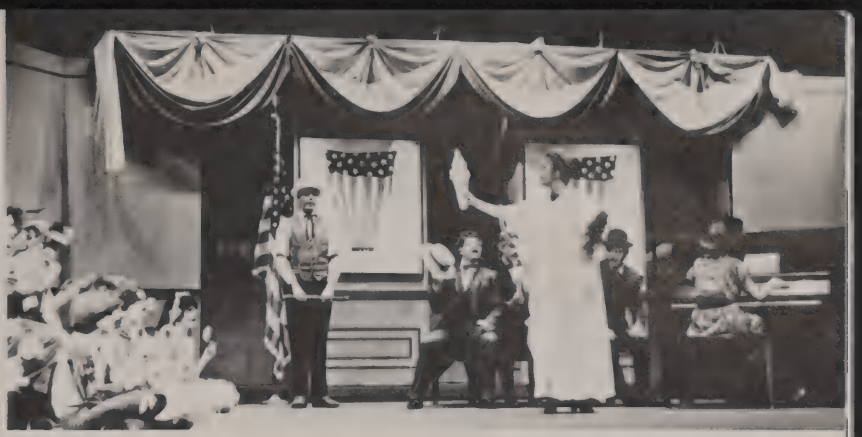
APRIL

A beginning to an end



Everyone knew that April was drawing close to the end of the year and the attitudes around the school showed it. The school musical "Music Man" opened in April and was a big success (of course). Intramural softball got off to a good start despite the radical weather. Rally and Hi-lite tryouts began although the actual tryouts weren't held until May.

Class elections were held the last day in April. There were concerts and festivals, a Bingo Night sponsored by the Boosters and Open House. The monthly S.A.T. tests were taken and advisee meetings planned for next year classes.

MAY

A month of many moods and memories

May, being the last full month of school was crammed full of last minute fun. For the Seniors it was also filled with the usual rush for last chance competencies and credits. May ended the Spring Sports Seasons with districts meets and playoffs and brought with it potlucks, concerts Spring Week, and the Prom. Seniors set their Caps and began looking toward their futures and the nearing graduation, while the underclassmen looked only towards next year at SHS. The school musical "Music Man" ended, Rally tryouts were held and the new rallies were picked for next year. When Memorial Day came around everyone knew the end was near at hand and spirits were hard to control.

Spring week fun!

Spring week was a lot of fun. The sophomores triumphed in the class competitions with freshman close behind. Activities included a van push, tug-o-war, limbo contest, bubble-gum blowing, carmel apple eating, and a combined lunch hour with booths and extra food on Friday.

JUNE

The end is finally here!

June was filled with great anticipation knowing that school was coming to a close.

The seniors were looking ahead to see what the future would bring but also, thinking about the memories they had been a part of the past three years.

There was great excitement in the air; the last days before graduation. Everyone was acting kind of crazy knowing that they had made it through this part of their lives. These "Seniors" had been through a lot together. There had been many victories as well as many defeats. There were many friendships and memories they would never forget. These events bonded this class together. Making it through the good and bad these "Seniors" were better because of their experiences. This is the "Class of 81".

Time capsule

The school year 1980-81 was filled with much controversy, achievement, excitement, and as always, changes.

Not only was there a new president elected, but the return of the Hostages from Iran brought much happiness to Americans.

One of the greatest achievements of our country, was the successful test flight and return to earth the space shuttle "Columbia".

But not only were there changes for the country, there were also many changes that have taken place right here in Springfield.

Most of the controversy for the 1980-81 year at Springfield High was attributed to the addition of the fence. Students often mentioned the fact that SHS was turning into a prison.

The start of a new decade brought many drastic changes in popular recreation. The disco era moved over for the very popular sound of New Wave Rock (Punk), and video games became the craze with Astroids leading the pack.

Below-Space program got a shot in the arm when space shuttle shot into space.
Middle Right-"Another One Bites the Dust" by Queen was one of the most popular hits of the year.
Upper Right-The fence caused much controversy for the population of Springfield High.
Center Right-Asteroids was the most popular video game for many months.
Far Right-Victor Tomseth was one of the ex-hostages from Iran.
Middle Far Right-AC/DC was also one of the popular Rock and Roll sounos of the early 80's.
Lower Right-Ronald Reagan was elected into office as the new President of our country.

Seniors (Class of 81)

Senior class officers; left to right: Andy Burk, Matt Chapman, Jim Vogt, Kristi Carter, Deni Johnson, David Kraal, Jon Forge, Kathie Kurilo, Dan Bowman, Mike King.

Dear fellow seniors,

It wasn't long ago when we were all sophomores, new to high school life and its additional responsibilities. It was often difficult to understand why our parents would say, "these years are the most precious years of your life." I think now we can understand.

In our years at S.H.S., we have seen ourselves and others grow. I would like to thank all of you for letting me be a part of that growth. It is difficult to explain the feeling which I have for this class, yet I hope that each of you have your own special memories of Springfield High's Class of '81. I wish all of you success in the future.

sincerely yours,

Jim Vogt

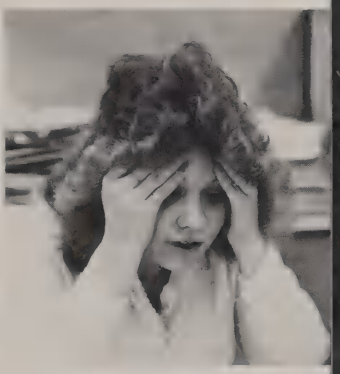
Planning . . .

Frustration . . .



The 1981 yearbook got off to a confused start. By the semester the staff had completely dissoved. Yet, all was not lost, with the assistance of Mr. Albright the 1981 staff was recreated. Most of the people were totally inexperienced, but willing to learn. Every one quickly became aware of deadlines as well as the confusion on the photo staff. By the close of the year we had gone through a lot of pain together; Monday staff meetings, the photo rush, typers cramps, as well as handicapped editors who still tried to pull their own. Yet through it all we remained a team. The 1981 Millers Log team.

Good Times . . .

GROUPS

The Springfield Miller Marching Band had the distinct honor of performing at the U of O-Michigan State game during halftime on September 20. The band marched into formation and finished out their songs to lead Oregon into a devastating victory.

Sentinel

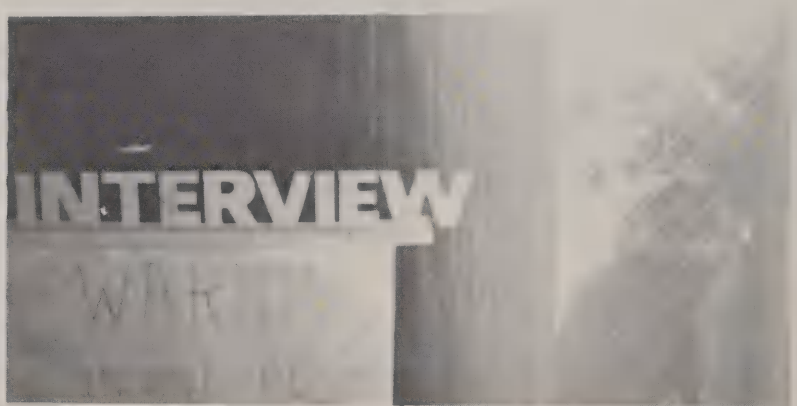
The Sentinel has had a successful year in putting out the twelve issues of the school newspaper.

The success was due, in large, to the two advertising teams the paper had. Mark Brady and Jim Chenoweth (first semester), and Tony Thompson, Cheryl Hale and Chris Brown (second semester) all did a good job in funding this years paper.

The track program for the Springfield-Thurston Invitational was also put out by the Sentinel staff, who had to make a new production schedule, and work after school many nights to get it ready.

The new staff has several projects in mind and is planning on producing one of the best school newspapers in Lane County.

Pictured on this page the Sentinel staff, doing their thing.



Student Council

Above left, front row L to R: Sonya Stacey, Scott Southworth, Bob Ashley, Soledad Deleon, Kristi Masek, Reagan West, Corrine Miller, Laura Liberatore, Jim Vogt, Kristi Carter, Second row: Kris Vorheis, Mike Zevenberger, Eric Umenhoffer, Mike Green, Dave Kurilo, Karen Shelgren, Blake Hastings, Vicky Smith, Deni Johnson, Teresa Jellum, Jon Forge. Third row: Mel Hollister, Shannon Southord, Randy Nelson, Vince Ferguson, Mike Walser, Mike King, Matt Chapman, Kathy Kurilo, Dan Bowman. Back row: Eric Dahlin, Mark Crandall, Garth Morrisette.

"An academic council mainly working on everyday problems," was the way ASB president Mark Crandall described this years Student Council.

The first half of the year was productive with the initiation of many projects which included revising the lunch line, rewriting the constitution and a Thurston-Springfield United Student Council.

Second semester, because of the cancellation of the leadership class, saw only the lunch line revision. Although the bulk of the projects didn't get done, many of these will be continued next year.

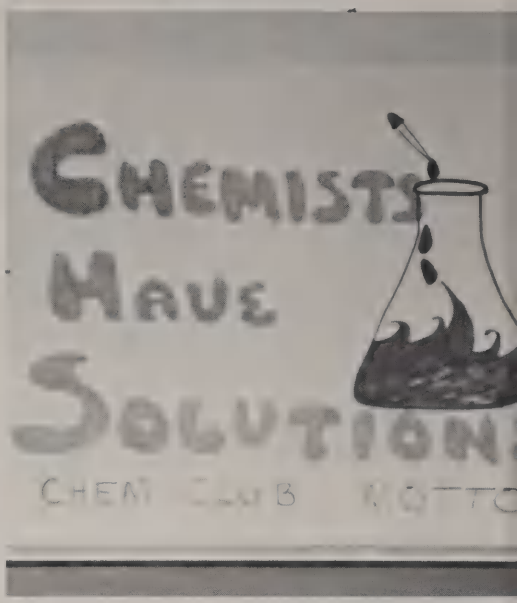
Back row-Vice President-Garth Morrisette, President-Mark Crandall, Treasurer-Eric Dahlin, Front-Secretary-Teresa Jellum, Pictured above Social Promoter-Dave Duncan.

Associated Student Body

A combination of 1981 and 1982 student council meet for fun and excitement.

Chemistry Club

Left, L to R-Mike Foulke, Rick Minor, Jim Buster, Donna Madrid, Teresa Jellum, Jeanne Smith, Advisor-Miss Olendorf. Not pictured-Larry Farris, Lisa Yankovich, Rick Iverson



Chemistry club is a new organization this year that has not had very much attention. Starting the year with 12 members the club has grown to 34. Next year looks even birghter. The clubs basic purpose is to promote chemistry. The members take trips to major universites to check out their facilities. They also sponsor speakers who come to SHS. More than anything the club seems to be a group of kids getting together and having a good time while they learn.

National Honor Society

The 1981 Honor Society is one of the largest yet, with 60 new members as well as over 30 pervious members. The 3 advisors Mrs. Downing, Mrs. Metzler and Mrs. Ohlendorf will have quite a job with this large group. Being chosen as a member of National Honor Society is the highest honor SHS can bestow upon a student. So those who can achieve the highest standards of scholarship, leadership, character, and service, will be those who are pictured in this spot in the years to come.

Honor Society Members meet in commons to study constitution during Tapping.

Front L to R Jim Peplinski, Tim Tuttle, Norma Mackey. Middle Row-Ken Vogt, Jacque George, Cindy Price, Cathleen Bentz, Advisor, Dawnita Mills, Brenda Ashley, Joan Vahala, Back Row-Peggy Cannaday, Norma Leutschaft, Jerry Johnson, Susie Divers, Scott Mills, Janet Thomas, Heidi Schulz, John Rodewald, Sandy Newton. Not Pictured, Eric Berg, Larry Farris.

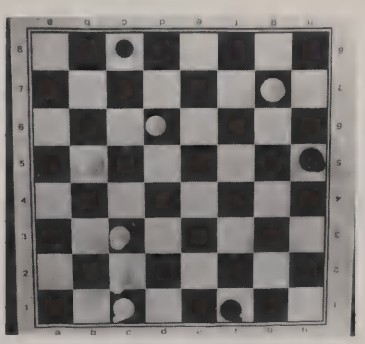
Forensics

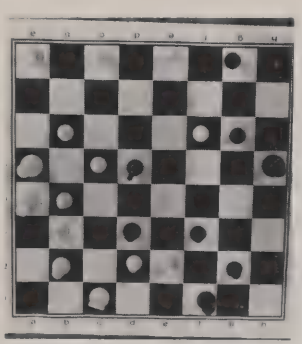
Forensics is not a new Club although they did start the year with a new advisor, Miss Kostelecky. This year's team started out rather small yet it grew through the year. The teams first invitational was at Beaverton where several of the students recieved 1st places in their rounds. They also competed at Churchill and The U of O where Peggy Cannaday recieved a certificate of excellence. But, perhaps the highlite of the year was the team was able to compete in the State tournament.

Left, forenscis team takes a break after a speech tournament at the U of O.

Chess Club

Above, L to R-Clifford Keele, Kevin Guderjhan, Lane Loman, Todd Matson, Terry Pleger. Front Row-Shane Meade, (Advisor) Mr. Wheeler, Josh Freeman.





Chess is a sport in which physical strenth does not determine the winner. Planning, thinking ahead, and endurance make up this game. Several Springfield students participate in this challenge. For those of you who are still unbelieving of this sport, take a few minutes before of after school to stop by the math resourse center and see for yourself.

The Key Club, who's advisor is Mr. Crone is a new club this year. The Key Clubs activities consist of community services. They raise money throught bottle drives, car washes, bake and flower sales.

Ski Club

Due to this years early snow the SHS Ski Club grew rapidly. The club had several good trips to Hoodoo early in the season. With the mid ski seasons snow drought interest in ski trips dropped; so when the good snow returned the excitement was lost.

Next year, Mr. Bowers, the club advisor has a new plan to open the ski trips to everyone attending SHS. So if the snowfall cooperates next years ski club should be better than every.

Sweat Club is newly formed group whose purpose is to provide students with various outdoor activities. It's not only to (experience the non-experienced) but it also serves to test the abilities of the experienced. The students get a chance to get away from it all and enjoy nature. This year the Sweat Club has had retreats to O'Dell Lake and the Coast. They plan to have a 3 day trip to the Sisters.

Varsity Pep Band

The Springfield Varsity Pep Band was very busy this year during basketball season. The band not only preformed at every home game but at two U of O games as well. The band also played at many pep assemblies and at Victor Tomseths homecoming. Band members are a composite of the best players from the whole school. Their fearless leaders were Dee Windom and Rod Rush.

Marching Band

Hard work and dedication is the best way to describe the marching band this year. The band performed at many of the Springfield games as well as the Oregon vs. Michigan St. game at Autzen Stadium. With Garth Morrisette as drum major, the band couldn't go wrong when they blew Thurston away during the Christmas Parade.

FALL SPORTS

Varsity Football season falls short of expectations

The Miller Varsity Football team was one filled with ambition and devotion. However the team had a few problems this season, as the record of 1-8 shows. Even with these problems they made vast improvements in all areas of competition.

Seven outstanding members of the team have decided they want to continue their football careers and use football scholarships and grants to help reduce cost of college. These players and the colleges which they are looking closest at are: John Runk-Linfield, McMinnville, Mark Crandall-Linfield, McMinnville, Ray Pearson-Linfield, McMinnville, Cody Hiestand-OIT, Klamath Falls, Butch Burlson-SOC, Ashlen. And the most sought after two-some by college coaches: Matt Chapman-OCE, Monmouth, Dan Ware-Has signed a four year full scholarship with Portland State.

The Millers came very close to beating the two choice teams that were ranked for state playoffs, North Bend and Sheldon. Springfield overran North Bend in overall rushing yeards. They went into overtime and were defeated 14-17. In the Springfield vs. Sheldon game, Springfield completely dominated Sheldon for the first time in the history of S.H.S. Springfields goal for the future is to establish a foundation for the newcomers at Springfield High.

J.V. Football

The J.V. football team struggled through a 3-5-1 season. The team was plagued all season with numerous injuries. It was unlikely to see the team play any game without one or more players on the trainers roster.

Highlights of the season were victories over Marshfield, Willamette, Cottage Grove and a tough tie with churchill.

The team consisted of mostly sophomores and a few select juniors, some of which will be great assets to next year's varsity football team.

Freshman Football

The Freshman football team combined incoming 9th graders from Springfield and Hamlin Middle Schools. With this combined effort they ended the season with a 3-5-1 record.

Ray Pearson (left) takes the ball around the end, against a surging North Eugene Defense.

Wins over South Eugene, Cottage Grove and North Bend, highlighted the season. The game that was most inspiring was 26-26 tie with crosstown rivals Thurston. The guys will be looking forward to a winning season next year.

Team leaders were: Quarterback-Ross Sears, Fullback-Mark Reifsneider, and Halfback-Mel Hollister.

Varsity quarterback Pete Acker (14) gives runningback Ray Pearson (44) a few words of encouragement.

Dan Ware (26) follows Willie Brown's block against North Eugene.

Varsity volleyball falls one game short of state

The girls Varsity volleyball team capped the season with 15 wins and 5 losses. The experience of the team helped them come through with many victories. Their tough season ended with one game short of going to state.

The most valuable player was Wendy Holcomb and the most inspirational was Kristi Carter. Next years team will be made up of the J.V. team and one returning varsity player, Karen Shelgren.

J.V. Volleyball

The J.V. volleyball team would out the season with the best record of all fall sports teams. The girls combined their efforts for a 15-0 season.

The power of this team proved strong with 12 shutouts and only two teams able to win one out of three games against them.

Team votes for leaders were: Most Improved-Heidi Schults, Most Valuable Player-Ann Howard, Most inspirational and Team Captain-Chris Skaife.

A victorious J.V. volleyball team celebrates a victory. Chris Skaife leads the team is their jubilation.

Freshman "A" Volleyball

The Freshman "A" volleyball team finished the season with a record of 10-4. These girls worked hard all season, as their record shows. Marshfield was the only team successful of defeating the freshman "A" team twice.

Team leaders were Tracy Erne, Kathy Schlosser, and Frankie Bax. All in all the team was well rounded and will be a great asset to next years volleyball program.

Freshman "B" Volleyball

The Freshman "B" volleyball team finished the season with a 7-7 record. Most of the teams victories came in the second half of the season, proving that these girls will help the future volleyball teams at S.H.S.

Patty Wright goes up for the kill as Kristi Carter, Wendy Holcomb and Chris Nokleby look on.

Chris Nokleby skies with arms out stretched to make a block for the Miller volleyball team.

Girls runners were led by two state finishers

The girls cross country team was good this year. Their season record showed nothing of what the team accomplished in 1980.

Two outstanding runners led the team. Lisa Hien (junior) showed vast improvement over last year. She placed 6th in district and 4th in the state AAU meet. Laurie Stoval placed 2nd at district and 1st at the state AAU meet and along with Lisa represented S.H.S. at state and national championships. Laurie plans to go to O.S.U. or Oregon and Lisa plans to return to S.H.S. next year.

With the returning runners and new arrivals the girls team is expected to be strong in the coming year at S.H.S.

Laurie Stovall (left) and Corrine Miller show enthusiasm and good fellings towards the 1980-1981 cross-country season.

Boys cross country showed strong in the 1981 season

The boys cross country team was young and confident this year. Their season went well as many 1st and 2nd places showed.

Garth Morrisette was this years outstanding runner on the boy's team placing 5th in district and representing S.H.S. at state.

Jim Vogt was the only senior on the team. All other members will be returning next year for a strong, esperienced team in 1982.

Gymnastics team builds strength for next year

The gymnastics team was young, but strong in 1980. The team combined efforts for 4-1-2 season. Jeanne Tabor was outstanding gymnast for the year, placing 5th on the balance beam at district, and represented S.H.S. at state. This will be a good experience for Jeanne and the team in 1982.

Team votes for outstanding gymnasts are: Karen Drake-Best gymnast, Darlene Johns-Most Inspirational, and Lynette Cardwell-Most improved.

Corrine Miller leads the pack in the 1980 district meet.

Garth Morrisette leads Don McAdams and the rest of the boy cross-country team, as he did all season.

Jeanne Tabor makes a perfect landing for the 1980-1981 gymnastics team.

WINTER SPORTS

Girls hoopsters win state playoff berth for SHS in 1981

The girls varsity basketball team was the most prominent winter sports team at SHS this year. Besides placing 2nd in district, the team represented our school in two state play-off games.

The team was made up of seniors and juniors who gave their all for the program this year. Shari Rose was voted most valuable player, and Vicki Edwards was the most improved.

Four juniors will return next year for coach Spratlan's program. Vicki Edwards, Kristi Smith, Kim Olin and Andrea Sprouse will be the prospects for the coming year. Ms. Spratlan feels confident in these gals and hopes future teams will produce the same type of spirit and devotion as shown by this years team.

The six graduating seniors all plan to attend colleges of their choice. Wendy Holcomb plans to attend BYU and is undecided about her basketball career. Four others plan to continue basketball at these respective colleges. Dawn Owen-OIT; Laura Nelson-OCE; Jennifer Manilla-Lane; Shari Rose-U of O and Keri Riddle plans to swim instead of playing ball at OSU.

J.V. Girls Basketball

The J.V. basketball team dominated the league this year. Thought to be young and inexperienced, these gals showed great ability and maturity. This team housed 3 juniors and the rest were sophomores.

Showing great strength, these gals captured a first place district finish. Mr. Place was confident with these gals all season and is sure they'll all help the program in the coming year.

Freshman A Basketball

The Freshman "A" girls basketball team had a rewarding season this year. With 11 and 5 record, this team wound up in a league tie for first place.

Sheila Colmer was voted the teams most improved player, Pam Smith was the most inspirational and Trina Travess was most valuable.

Coach Burke took a group of young and inexperienced players and put together a first place team. She will be looking forward to seeing the girls play next year.

Shari Rose shoots the hoop for the Miller varsity basketball team against Churchill.

Freshman B Basketball

The Freshman "B" girls basketball team struggled through the 1980-1981 season. The team played 16 games, and pulled off 5 victories.

Team votes for outstanding players were: Most improved-Robin Anderson; Most valuable-Debbie Hagen; and most inspirational-Chris Teague.

Coach Warthen felt confident with these gals and saw vast improvement through out the season. Many of these girls will be playing for the program next year.

Keri Riddle goes up strong against an outstretched Churchill defender. Shari Rose moves in close for the rebound.

Jennifer Mannilla fights for the rebound in the determining game for a play-off berth.

Boys basketball goes 500 on the 1980-1981 season.

The boy's varsity basketball team started the 1981 season with great enthusiasm. The team combined efforts to win 6 out of 9 of their league openers.

The second half of the season turned out to be an uphill battle for the guys. After a great first half, the team maintained a 11 and 11 season record.

The most improved player was Matt Chapman. Greg Fenn was the team captain and both Greg and Matt were selected as the outstanding seniors of the 1981 season.

J.V. Basketball

The junior varsity basketball team was dominated by sophomores that gained valuable experience. The team while smaller than most teams played with intensity and hustle. Many of these players will help make future varsity teams very successful.

Sophomore Basketball

The boys sophomore basketball team was disciplined in 1981. Due to good coaching and an outstanding team effort, these guys placed second in the league standings.

Showing a 14-3 league record and a 18-4 season record these sophomores proved themselves as hard workers and good potential for the future basketball program at S.H.S.

Roger Savage goes up strong for two points against a surging North Bend defense.

Richard Bernstien and Roger Savage close in as Kenny Edwards goes up for the boards.

Freshman "A" Basketball

The freshman "A" basketball team had a rough season this year. Winning only 9 of their 22 games.

Highlights of the season were victories over Cottage Grove, Creswell, Pleasant Hill and a squeaker 43-42 victory over North Bend.

Freshman "B" Basketball

The freshman "B" basketball team combined their efforts for a 13 and 3 season record. Outstanding games were two blow-out victories over our cross-town rivals, Thurston.

Coach Olds felt good about this year's team devotion and is sure that many of these guys will go on and help the future basketball programs at S.H.S.

Bob Quick, Richard Bernstien, Ken Edwards and Greg Fenn all saw alot of action for the 1981 Miller varsity basketball team last season.

Kenny Edwards goes up strong in a fancy loop-tee-do lay-in, showing strong leaping ability.

Girls take 6th place in state

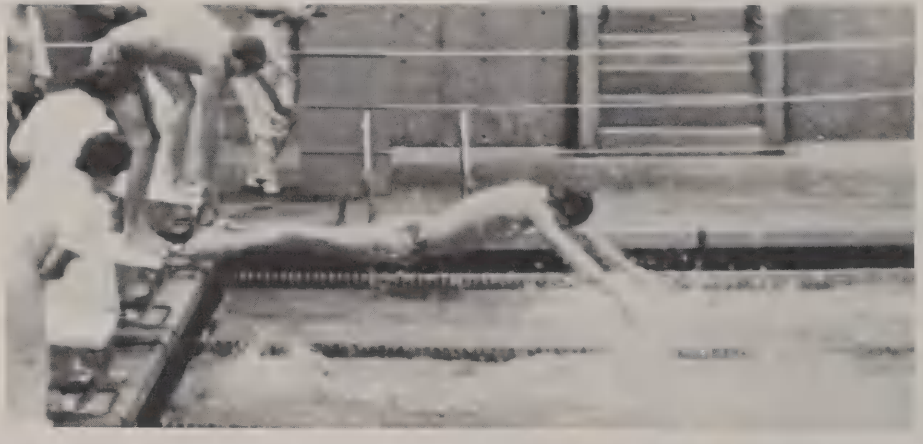
The girls swimming team had an outstanding year in 1981. They placed 4th in district behind three teams that were 3rd, 4th, and 5th at the state meet. They also placed 6th at state out of 58 teams.

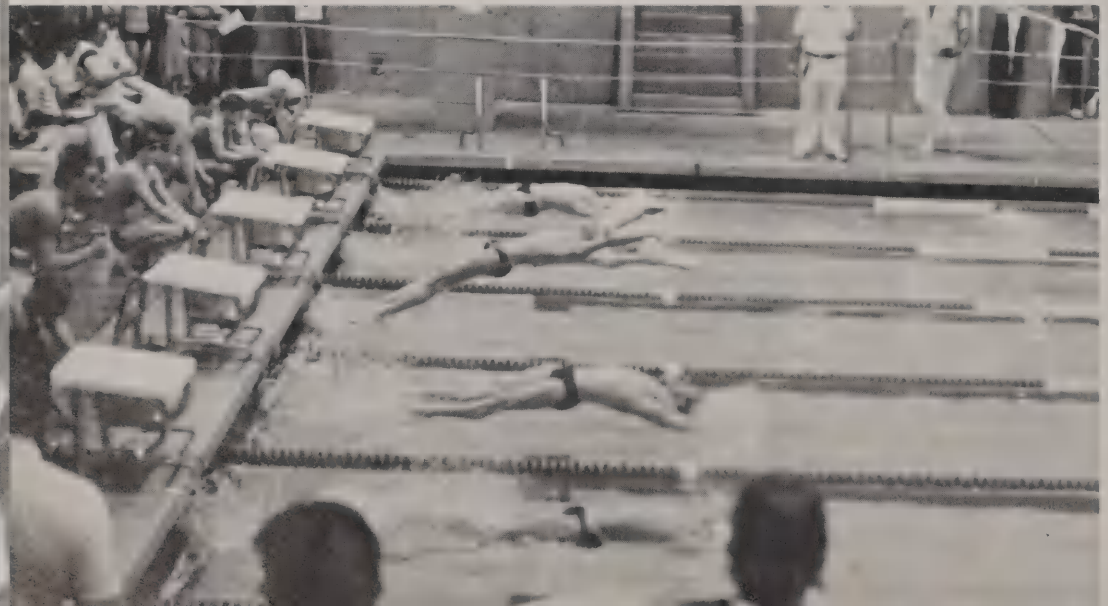
Keri Riddle rated best for the girls, placing 3rd in 200 I.M. and 2nd in the 100 yard breast stroke at the state meet. Kris Carter placed high in the 50 yard freestyle and the 100 yard butterfly. Both girls swam on the 400 yard freestyle relay that placed 10th.

Terry Wagoner and Jeanne Tabor placed 1st and 2nd in district diving. Both girls went to state as SHS representatives. These two girls will return next year to help a powerful swimming and diving team of next year.

Keri Riddle was an outstanding three year letterman for the swim team. Here she works out at practice with a smile on her face.

Blake Hastings (this years outstanding male swimmer) takes a dive as one leg in the 1981 boy's relay team.





Rea Moffit swims a strong butterfly stroke for the Springfield swimming team in 1981.

Miller boys look to next year

The boys swimming and diving team fared well this season. Winning 5 of 7 dual meets. The guys combined efforts to take 1st place at the December 4th relay meet and placing 2nd at the Corvallis Invitational.

The boys team placed 2nd in district behind Cottage Grove (the present state champs). Blake Hastings was the highest qualifer for the boys team at state. He took fifth in the 100yd. breast stroke and swam on the 200yd. medley relay team.

Team votes for exceptional swimmer were: Mark Reifschneider-most valuable 9th grader-Mark Duvall-most improved swimmer-Dale Wood-most versataile and Blake Hastings the most outstanding.

The start of the medley relay was as close as they come, but Springfield usually prevailed. This years relay team did great along with the rest of the boy's swimming team.

Wrestlers send seven to state

The 1981 wrestling team proved to be a great asset for S.H.S. Winning 22 out of 28 season matches these guys clinched 2nd place in district dual matches. Their only dual meet loss came to North Bend.

Wrestling for all they were worth, the team places 3rd in the district meet. Bill Johnston and Rick Lynch placed highest at district, snagging 2nd place in their respective weight classes.

Seven wrestlers represented Springfield at the state meet. They were: Bill Denny, Dave Isaacson, Bill Johnston, Rick Lynch, Ed Martin, Craig Norris, and Jim Vogt.

This years team picked Jim Vogt and Ed Martin as their team captains, Dave Isaacson as the most inspirational and Bill Johnston as this years most outstanding and dedicated wrestler.

The 1981 seniors had a great season and many will be able to continue wrestling at the college levels.

Girls track has largest team ever

The 1981 Girls Track season is definately a building year for Springfield High. We have 50 girls out (the largest group ever) and 23 were freshman. Yet we are also very strong in some individual events. **Senior** Patty Wright was a district and state contender in both relays and two of the sprints. We are hoping that she will receive a major college scholarship with OSU or the U of O.

We had strong district performances from **Senior** Kathy Kurilo and Junior Terri Wagner in the 400 and relays, junior Debbie Daley and Sophomore Deadra Thomas in the sprints and relays, **Senior** Kris Carter in the Javelin and discus, Freshman Toni Tabor, Junior Lisa Hein in the distrances, Sophomore Dawnita Mills in the long jump and **Senior** Sandy Singhose and Junior Karen Campagna in the high jump.

After a state championship in 1979 and an 2nd in 1980, we regained the championship in 1981.

(Left) Patty Wright and Debbie Dailey race for winning finish. (Above) Freshman, Tony Windom, high hurdles as Springfield High Students look on.

Boys sent one representative to state

The 1981 boys track team struggled through the season winning only one and tieing one of six dual meets. In the invitational they farred much better, placing 3rd at the Springfield, Thurston invitational, and 2nd at the Indian relays.

Two guys on this years team excelled above the normal expectations. Bill Johnston placed 4th in district against the toughest competition in the last five years. Garth Morrisette placed 2nd in district showing great endurance in the 3,000 meter run. Garth was the only SHS representative at the 1981 state meet. he placed 3rd grabbing Springfields only state points.

This years team was built on many young and inexperienced track and field starts to be. Next years team will be happy to recieve many of these prospects for a prominent 1982 season.

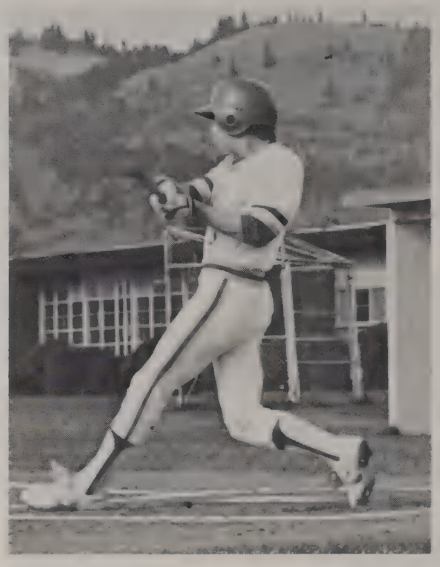
Boys have slow start finish big

The 1981 edition of Miller baseball started off slowly, loseing 4 of its first 7 games. But showing tremendous character and courage they won 10 of their last 11 games to finish with a 13-5 record for a 2nd place finish in district. Qualifying for the district playoffs the Millers defeated North Bend 6 to 1 but lost to South Eugene 7 to 4 ending a successful season. Players recieving all district recognition were Pete Acker, Daren Deadmond, Tim Riles, Greg Fenn, Greg Miller, and Bob Quick. Acker, Quick, Fenn and Ray Pearson were selected to the Golden Glove team for their outstanding defensive play. Pete Acker also recieved state honors by being picked on the state team and playing in the 1981 state metro game.

J.V. Baseball

The J.V. baseball team strove for enthusiasm, team confidence and mental toughness in 1981. The guys met their goals through hard work and lots of incouragement.

Housing mostly sophomores, the J.V. team placed 3rd in district with a 17-4 league record and a 17-8 season effort. Many of these young men will produce great baseball at the varsity level in 1982.



Girls don't meet year's expectatons

The varsity softball team struggled through a rough season. A 6 win, 16 loss season was not up to the expectations of both players and coaches. The most inspiring game came late in the season, a 7-6 victory over cross-town rivals, Thurston.

Dawn Owen was selected as the team captain and the valuable player of the 1981 season. Keri Riddle was picked as the 5AAA all district second baseman. Vicki Edwards, Dawn Owen and Ann Howard were members of the honorable mention list.

With help from returning varsity players and a strong J.V. team next year should be a good one for Miller softball.

J.V. Softball

The j.v. softball team started slow in 1981. Losing their first two league openers the team had to struggle to come back, and come back they did. Winning the next 5 games brought the gals right back into the league.

8 wins and 6 losses was the final result of a tough played season. Winning just over 50% of their games put the team in a 4th place league finish out of 8 teams.

Patty Stafford and Connie Etchison were selected most valuable players, Suzie Webb was most inspirational and Randi Rush was the most improved.

1981 season rebuilding year for Golf team

The 1981 golf team consisted of mainly young and inexperienced players. This season was basically a rebuilding year.

Coach Hemphill stressed fundamentals and disciplined golf. "I expected an 8th place finish this year," says Hemphill, "and a strong 8th place is what we got." With the young players gaining experience through summer play, all we can do is improve."

Larry Warner is the only graduating senior on the team. The rest of the guys will be playing all summer in coach Hemphill's summer golf program.

Girls team 5AAA district champs this season

The girls tennis team had a great season in 1981. Their dual-meet record was 6-4-5, showing nothing of thier strength and ability.

Through strict training and dicipline these girls captured the 5AAA district championship. This victory sent 5 SHS representatives to the 1981 state meet.

Kristi Atkinson put forth an outstanding effort to capture a 4th place state finish in the singles division. In the doubles catagory we found both of Springfields top doubles teams going head to head for the first place berth. Partners Sean Gambee and Marie McCulley combined efforts to topple the favorites, Shari Rose and Karen Shelgren, for the first place state trophy. This left Shari and Karen as the second place doubles team in the state.

Of these five outstanding players, Karen Shelgren will be the only returning player. The 1982 team will have a good nucleus to build around.

Boys get first in both singles and doubles

As in past years, Bob Semon has done it again. This years tennis team pulled off an 11-4 league record and a 9-2 district record.

The team dominated district play throughout the season and came through as champions in the district match. Scott Peery, an experienced state player, captured the district championship in singles play. Andy Burke and Jeff Delemarter showed strong discipline and great team play to become the 1981 district champion in doubles.

Scott went on to become this years singles champion at the 1981 state meet. Andy and Jeff gave it their all for a second place finish in the doubles catagories.

Most of the 1981 tennis team will be graduating, leaving coach Seaman to throw together another state team in 1982.

(Above) Rea Moffitt follows through after serving to an opponent. (Left) Bob Ashley concentrates while putting. (Below) Jeff Delamarter and Andy Burk practice doubles.
